The

Bob Brown, editor-in-chief, inspects a yearbook from a neighboring school—trying to get new ideas for The Surveyor. Such a job is not always an easy one since rules of journalism prevent rash and spontaneous ideas.

Cynthia Bennett, Shirley Garman and Anne Massey do much of the typing of copy. This task always proves to be a long tedious assignment for material usually is done in many various styles and is not always legible.

Preparing copy forms for the printers, making pictures fit dummy sheets and designing pages for all the classes, clubs and sports. Sidney Thompson, Bob Hobson and Norbert O'Hare spent many hours during the summer months for the '56 Surveyor.

SURVEYOR

Advertising partially supplements money for the publication of our yearbook. Marilyn Meserve, Becky Rios and Joan Morris try to adjust copy to fit space purchased by our advertisers.

What are we going to do for extra pages? And, when will we ever get all of the pictures made with so much activity in the school is a problem that arises often in publishing a yearbook. Gretchen Young and Nancy Pastore discuss unique picture layouts while Bob Raybold studies the present working "dummy". Anne Flynt and Miss Lowman try to "juggle" more space for important school activities by studying the outline of page contents.

Identification of class pictures always proves to be a headache for those staff members responsible. Suzanna Palmer, Patsy Baumert and Pat Peyton have spent many hours "licking" and "sticking" identification tabs for the classes.

FOREWORD

As we look back over the past year, we are reminded of many unforgettable moments and happy experiences. We, who are seniors, look back upon four years filled with fond remembrances of friendships deeply rooted and lives well lived. These friends with whom we have lived, worked, shared joys and sorrows, played, dreamed, and talked of things to come are indelibly written into the pattern of our lives. The Surveyor will help to keep alive the flame and spirit of these years and will become a source of keen enjoyment as we confidently turn our steps to the future.

In Memoriam....

NELSON WEBSTER COE, III

Nelson came to Mount Vernon from George Washington High at the beginning of his freshman year. He was graduated with the Class of 1955 after a very successful high school career which saw him active in sports, band, the newspaper, and many other extra-curricular activities. Nelson was a friend to many, and he will be greatly missed by all of us who knew him.

HAROLD LEE SHIFLETT

Harold enrolled at Mount Vernon in September, 1950, but was forced to leave in the middle of his junior year. After leaving, he married the former Miss Betty Vetter, who had previously graduated from Mount Vernon. He is survived by his wife and one child. Harold will be missed by all his area friends.

SCHOOL LIFE

School life on the Mount Vernon campus, as at any normal high school, is varied and colorful, as the following pictures indicate. This section unfortunately shows only a small portion of our school life, but we hope you will recognize yourself somewhere within these next few pages.

Mr. Lyles MC's for student talent shaw sponsared by the Band and Yearbook Club.

Cheerleaders prepare to baast aur teams for the W&L campaign.

Nancy Pastore, yearbook member, helps seniors file through the line for senior pictures.

Miss Conley's "special duty" has proved to be quite helpful, especiolly for many of her more confused geometry scholors.

"Smoll talk" seems to be interesting, especially for this group of students who attended the Christmos Sno-Boll.

ACTIVITIES

Club activity at Mount Vernon is open to any student who desires to participate. Our clubs cover many diverse interests and are well-attended. With over thirty clubs operating on regular schedules, we feel that here at Mount Vernon there is great extra-curricular opportunity for all.

Em Vee Hi

Mrs. O'Neil, Sponsor, and Shirley Shepherd, Business Manager.

Editor
NANCY HOWARD

The "Em Vee Hi", the school newspaper, is published monthly. Approximately two weeks are spent in compiling the copy.

The Roto, a supplement to the paper, is placed inside each copy as an extra treat for the subscribers. This is a nation-wide newspaper for high schools and it features articles about students in all parts of the United States.

Outstanding awards and criticisms are received each year from the Quill and Scroll and the National Interscholastic Press Association. Last year, the "Em Vee Hi" placed second in the state for support of community activities. This award was presented at the Southern Interscholastic Press Association Convention held at Washington and Lee University in Lexington, Va.

Those students who take first year journalism are in charge of writing various articles which are assigned to them by the staff. The following year they are eligible for staff positions.

The new staff is organized each spring; succeeding its election, it completes the year by editing the last issue. It is traditional for the new staff to devote the last issue to the graduating class. This policy is one which has been handed down through the many years of the paper's publication.

Our printer is Mr. Benjamin Muse of the Messenger Press in Manassas, Virginia.

Our Debate Club is a very active group of students who participate in panel discussions and debates on current subjects with other schools. The Debate Club does research for its arguments in the Library of Congress, followed by pizza and la sagna at Luigi's. Also, the club each year has a theater party and sponsors a trip to New York City.

This year, Mount Vernon's Debate Club won both negative and affirmative arguments in all their debates along with first-place in the pre-tournament series. The first full-length debate for our students was well-received when an affirmative and negative team debated before all those of the student body who could attend in the auditorium.

Quill & Scroll

The Quill and Scroll is an international honorary society for high school journalists. Members of all high school publications are eligible to join if they meet the qualifications set by the Society and the publication sponsor.

To join the Society, a student must be a Junior or Senior, in the upper third of his or her class, honest, dependable, and cooperative, doing above average work on the publication, and passed by the National Quill and Scroll.

The purpose of the Quill and Scroll is to inspire high school journalists to do creative work of a quality satisfactory for publication.

The Lawrence Washington Chapter of the National Honor Society is part of a large organization which has a chapter in every public high school in the United States.

Membership is based on scholarship, leadership, service, and character. In an assembly before the student body in February, almost thirty new members were inducted. Something extra was added this year, too. A Junior Honor Society was established for the first time in this school, consisting of sophomores who met the qualifications. We compiled an Honor Roll each six weeks, recognizing those who had made no grade lower than "G". The Society had a very active and successful year.

The Key Club this year was quick to organize in September, and under the guidance of Mr. Hester we had a very successful term. Participating in many school functions, we set a state record in collections for the March of Dimes, and also attended the Kiwanis Luncheon of our sponsoring chapter in Alexandria. Our biggest activity was the District Convention in March at the Shoreham Hotel in Washington, in which we campaigned actively for John Harrelson's election as Lieutenant Governor. Our very successful year was due largely to the efforts of John Harrelson and Mr. Mason, our president and assistant sponsor.

OFFICERS. Left to Right: Sylvia Snellings, vice-president; John Welch, president; Barbara Spoon, secretary; Ruby Corbin, treasurer and Mrs. Provance, sponsor.

The main purpose of the Senior Commercial Club is to acquaint the members with office procedures. Under the supervision of Mrs. Provance, we students familiarized ourselves with office activities not offered in the regular business curriculum. In connection with this, we also learned to operate various office machines, among them, were a duplicating machine, mimeograph, and an electric typewriter. The club also had several guest speakers to speak on furthering our education, and opportunities that could be found in the field of business.

Activities this year included a field trip to Washington where we visited government. We also entered a project in the School Fair. The highlight of our activities was the annual Beauty Contest and Fashion Show which was co-sponsored with the Distributive Education and Future Homemakers of America Clubs. This activity enabled members to gain actual business experience.

JUNIOR COMMERCIAL

The purpose of the Junior Commercial Club is to provide an opportunity for students to learn more about the duties and qualifications of a secretary; also, to study various kinds of machines that are used in the business office.

A Club paper is issued monthly. Through this publication, students learn how to use the Ditto, Mimeograph, and Mimeoscope.

A field trip in the spring to Washington's modern offices is the highlight of the Club's activities.

A Club

The Art Club consists of students who are or were in an art class at Mount Vernon. Its purpose is to broaden interest in art throughout the school. Members participate in activities such as making clay pieces, painting, drawing, clay and shell jewelry and making posters. Each year the club sponsors bake sales, an art contest and a field trip to an exhibit at an art gallery, followed by sketching at Haines Point. We conducted sales at P.T.A. meetings, of Christmas decorations and clay objects. The group was so large that it had to be divided into two groups, with separate officers, this year. A coordinating group of five students was elected who could attend meetings of both sections and draw the groups together.

Charles Trexler, Jean Trexler, Anne Flynt, Marjorie Locke, Barbara Slayton are studying the mechanics of poster-making.

Waiting for their clay pieces to be taken from the molds are Marilyn Meserve, Sandy Underwood, Frances Matlock and Alice Hotchkiss.

Character Sketches are a must to every art student. Intently studying the faces of their classmates are: Joan Brunner, Sara Shepperd, Tommie Fife, Ann Griffin, Judy Ostler and Barth Reller.

Still life studies are an important part of the artists. Students struggling with a new arrangement are Sharon Pierce, Joan Miller, Janice Hamilton and Carolyn Pusey.

The Bible Club had a fine year filled with many blessings that only the Lord could have given. Throughout the year we had Bible quizzes, debates, and speakers. Many of our speakers and much of our talent came from within the club. To develop a feeling of unity and competition, the club divided into two teams, Boaz and Ruth.

The prayer bands held during the three lunch shifts and chapel were faithfully supported by the Bible Club. The main purpose of all meetings and activities was to show the students that a life without Christ is useless.

Cotillion

OFFICERS: Lisa Kanwit, Felton Harris, Mr. Walters, sponsor, Peggy Rowe, Janet Blackwell, and Curtis Mlsna.

Dancing means fun! And that's what the members of the Cotillion have had in the past year. Due to the co-operation and interest of the members, the second year has been even more successful than the first. Under the able sponsorship of Mr. Walters, we met after school every other Thursday. After a brief business meeting, dancing and refreshments were enjoyed by everyone.

On December 16, our dancing season began with our Christmas record hop, held at the Virginia Lodge for members and their guests. Feb. 17, we sponsored the school Valentine's Dance. The gym was gaily decorated for the occasion, we had a band from Ft. Myer, and a good time was had by all. The year ended with our Spring Formal, held for members and guests only.

Fun being our main objective, students were constantly wanting to join the Club; however, the limit of fifty members was quickly filled at the beginning of the year, and we had to turn many down.

All in all, this was a wonderful year for the Cotillion.

Mrs. Quinley, sponsor,

The aim of the Future Teachers Club is to interest students in becoming teachers. We had a successful year and participated in many activities. Members assisted new teachers in the school with routine duties, and provided student helpers in the elementary schools in the case of teacher absences. We took part in the March of Dimes disc jockey campaign and also raised money by conducting penny-pitching at the basketball games. Our by-laws were changed to allow sophomores to become officers, in order to stimulate the interest of the younger students. We kept in contact with several colleges, in order to study entrance requirements and scholarship opportunities for freshmen.

Junior Science Club

Under the leadership of Alexander Korns and the sponsorship of Miss Schaub, Biology teacher, the fifteen members of the Junior Science Club delved into extra-sensory perception and heard reports on individual studies in electronics and in atomic physics.

Disregarding transportation problems and rainy weather, Junior Science Club members attended lectures in Astronomy at the Fort Belvoir Observatory and observed the 29" refractor telescope at the Washington Naval Observatory.

Club membership was open to those students who had completed or who were taking Biology or General Science. By contributing to the advancement of scientific learning we were fulfilling one of the greatest needs of our nation.

Distributive Education

The D. E. I and II clubs elected officers and set club dues at their first meeting in September. The Club officers and a committee planned a program of activities for the school year 1955-56. In October, the club members participated in a weiner roast held at Great Falls. A dance was held in December and January for the club members.

On February 15, all D. E. students participated in the district D. E. Club Convention held at James Monroe High School in Fredericksburg. We were active in job application, sales demonstration, display, and merchandise presentation contests. John Robey won first place in the merchandise presentation contest.

Otis Pullen, Wray Wood, and Betty Zehring were elected delegates to represent the club at the State D. E. Club Convention held on March 4, 5, and 6, in Richmond. Eleven members of our club attended.

Our season was completed with the Fashion Show and Beauty Contest in April, and the Employee-Employer Banquet in May.

Mount Vernon's varsity co-captains, Eddie Lakey and Gordon Joines, led the 1955 Major aggregation to an even better record than the previous season. Thru the expert guidance of Coaches John Yednock and James Ashwell plus diligent practice sessions, the team achieved this record. The 1955 season's record was improved by the 12-6 win over the Fairfax Rebels Thanksgiving Day on the Major's home field. The Annandale Atoms and the McLean High Eagles both succumbed to the superior playing power of the Majors. With an improved record over last year and the return of many varsity lettermen, according to all indications, the outlook for next years is encouraging.

The Varsity cagers this year showed good spirit and a lot of drive. High point of the season came when they downed unbeaten James Monroe of Fredericksburg, 58-51, ending the Jackets' streak at eight games. Wins over cross-county rivals Annandale and Falls Church also added to the Majors' prestige. The boys all showed great improvement over last year, and are to be commended on their victories.

Golf was a completely unknown sport at Mount Vernon until this past season. The newly organized golf team did surprisingly well in their efforts and defeated schools that already had well-established teams. Through fine coaching, Mr. Lyles, Mt. Vernon's golf coach, led the team to five victories and suffered only two defeats. Harvey Johnson, Billy Hardbower, Bob Hobson, Dave Davis, Pete Spear, Bill Bank, and Joe Crowther spearheaded the Mt. Vernon attack with fine drives, chips, and putts. The team teed off to a great start with a victory over Wakefield High in their first match. Fairfax, Falls Church, St. Albans, and Oxen Hill were the other four victims of Mt. Vernon's team of seven. However, the team ran into stiff opposition against Washington and Lee High and George Washington High, which resulted in the team's only two defeats. Golf has undoubtedly been established as a major sport at Mt. Vernon and with last year's fine record will go in to greater heights of recognition in high school golf circles this season.

Only Davey Davis could sink a putt like this!

Here's the team, left to right: Manager Lewis Whitener, Bill Bank, Bob Hobson, Davey Davis, and Pete Spear. Missing from picture: Joe Crowther, Harvey Johnson, and Billy Hardbower.

Our Track Men

Although the track team's record has not been outstanding in the past year, there is great anticipation this year for a high ranking team with many returning varsity trackmen. The team practiced diligently and put forth their combined efforts in each contest. Mr. Fant, the original coach, was suddenly taken ill during the season and was unable to finish his duties as track coach. However, Coaches Yednock and Argentine filled in to finish the schedule and did a most commendable job. With diligent team practice and school support, the lightcladmen will undoubtedly be a strong contender for county and state honors.

Mount Vernon's hockey team of eleven romped to one of its best seasons this year, undefeated in seven games and tied in only one. The team opened the season with a 9-0 victory over Falls Church, a record for a Mount Vernon hockey team; and the team was unscored upon the entire season. Two games were played with Falls Church, Fairfax, and Annandale, and one with McLean. Miss Wilson is to be congratulated for her work with the team. Mary Frances Myers, Martha Wilson, Ida Betancourt, and Ruby Corbin are graduating seniors and the team will definitely miss them. However, as one spectator has commented, "They'll be back stronger than ever next year."

FEATURES

Betty Fuller, a senior, won first place as a vocalist in the annual talent show which is one of the many activities held here at Mount Vernon High School. Included, also, is the selection of a boy and girl for "Who's Who" from each of the five classes. Senior spotlight honors is another outstanding feature attraction along with the senior girl selected as "Miss Mount Vernon" and a girl from each of the remaining classes as princesses on her court. Included for special attention this year we have added the cheerleaders to this section along with representative students and personnel due particular merit for the operation of the school.

Cheerleaders for the year 1955-56 were chosen at tryouts which were held in May of the last school year. Approximately 150 girls tryed out and from these girls seven were chosen to be on Varsity. We were chosen by Miss Waid, our sponsor, members of the faculty, and the graduating cheerleaders.

After we were chosen a meeting for all the new cheerleaders was held and during this meeting we elected Sandra Roland the Varsity Captain and Peggy Cash Co-Captain.

We began practice in August and during one practice we talked about our new uniforms. We decided to have maroon full skirts lined in white, white sweaters with a maroon and gray letter, and a maroon collar to match the skirts. We chose these colors to match our school colors which are maroon and gray.

The main objective of the cheerleaders was to lend support to the various athletic teams, and this was accomplished by holding pep rallies the day of home football games, sponsoring a bonfire, and backing up the team along with the student body at the various games.

MISS WAID

Seven girls were chosen last year to the Junior Varsity cheerleaders. Selection was made on the basis of grades, reputation, and personality. We were organized to encourage two main sport activities. We did this by making posters on the various games, by cheering at the pep rallies and games, and by having regular practice sessions.

Our uniforms consisted of gray skirts, white sweaters, and maroon and gray letters and a gray collar to match the skirt.

This was the first year for all of us except our captain, who was most helpful in getting us started.

Shirley Garman was on the Junior Varsity squad last year, was chosen to be our captain this year. She was a junior and a member of the year book staff.

Bette Fenton was our co-captain this past year. She was a junior and a member of the commercial club.

Jill Arneson was secretary-treasurer and a sophomore this year. Jill was also treasurer of the Student Government and a member of the newspaper staff.

Susanna Palmer was a sophomore this year and Class Editor of the yearbook.

Lynn Sisselburger was a freshman this year. Sports and jokes were her favorite pastimes.

Judy Conk was a junior and the treasurer of the French Club.

Brenda Johnson was a sophomore this past year. She was on the Junior Varsity basketball team and sang in the glee club.

ADMINISTRATION

A well-qualified administrative, guidance, and teaching staff is most important in the operation of a high school such as Mount Vernon. We are most fortunate in having Mr. Melvin B. Landes, who has merited himself in the field of school administration, as our principal. Those of us who work and study each day with Mr. Landes know that he will long be respected and admired for his fairness and co-operation extended to both his teaching staff and student body.

CLASSES

Betsy Meyer peeks through the Army's night-viewing "sniperscope" during her tour of the Corps of Engineers' Research and Development Laboratories at Fort Belvoir. Thirty-six members of the Advanced Science Club brushed elbows with scientific personnel during their two-hour visit. This was the second in a series of tours for local high school seniors designed to help alleviate the critical shortage of engineers in the area.

Social Studies and English

Miniver Cheevy is the goal for Mrs. Moore's third period Junior English Class.

Caesar returns to Rome in Mr. Cohen's World History Class.

Mr. Hatch's Social Studies students could tell you much about our New World.

Shakespeare's genius was the subject of Mrs. Cooley's fifth period English IV class.

Foreign Language and Algebra

Mrs. Coffey's Spanish II class was "snapped" while reading El Fantasmo de Punto Guijarros or "The Ghost of Cobblestone Point".

Jason and the Golden Fleece is the subject for the day in Miss Messick's Latin I class.

Parlez-vous Francais?—You can learn in 180 easy lessons if you enroll in Mrs. Alpert's French I class.

Mrs. McClench's Algebra II class is quite involved in graphs for the present.

Music, Art and Audio Visual Education

Mr. Jones, audio visual instructor could take you around the world on 100 feet of film.

Still life is the subject for the future Rembrandt's of Mrs. Lock's art class.

Gilbert and Sullivan's Mikado comes to life as Mr. Misik directs his fifth period mixed chorus.

Our marching band under the direction of Mr. Steinbach had many such practice sessions during the school year.

Shop and Mechanical Drawing

The homes of tomorrow may be designed by future architects now currently enrolled in Mr. Argentine's Mechanical Drawing class.

Mr. Croom sets up material for his general class prior to the opening of school.

A coffee table is soon to be completed by students in Mr. Johnston's shop class.

Mr. Nicholas' metal shop class is taking advantage of the newly installed machinery.

Commercial

Dictation at 80 wpm is the ultimate goal for these young secretaries in Mrs. Wagner's shorthand I class.

Learning basic fundamentals is the primary purpose of Mrs. Suttler's General Business students.

"Eyes on the copy" and "strive for control" is the constant plea Miss Lowman makes to her typing I class.

Bookkeeping students manage to struggle through a project in spite of a few mis-haps.

Science and Physical Education

Girls beat out "Rock Around the Clock" in Mrs. Wilson's third period physical educotion closs.

Reducing lead oxide is the experiment being conducted by students in Mr. Horn's Chemistry Lob.

Einstein's genius may well be matched by students such as these presently conducting an experiment in Mr. Loymon's Physics Closs.

The study of miscroscopes ond the amoeba is the center of ottraction for Miss Wood's Biology closs.
